

Wedding packages

Our most popular and cost effective beverage solutions for your Wedding day, starting from just £5 per head. Each of our Wedding Packages can be specifically tailored to your individual needs and budget requirements. If you find that our set packages don't work for you, please contact us and we will happily create an individual package to suit you.

Each of our Complete Wedding Packages includes the following products and services:

- Hire of our dazzling mobile Wedding bar
- Bar delivery and assembly
- Quality glassware hire
- An extensive selection of delectable premium drinks including beers, ciders, cast ales, fine wines, spirits, juices and soft drinks
- Draught lager dispersal system
- Our professional team of uniformed bar tenders and back-bar assistants who will run the complete service
- Temporary events notice application (bar licence – required by law)
- Ice, fruit and refrigeration
- All specialist bar tending equipment including shakers, strainers, ice buckets, straws, napkins and decorations
- Cocktail service, including personalised menus if you wish
- Pre-event consultation
